

**REGISTER TODAY!**

## First-Ever Arizona Veterans Small Business Conference

**June 11 - 12, 2008**

**At Ft. McDowell Resort & Casino**

### 'Opening Doors for Veteran Small Businesses'

**W**hether you are an existing Veteran business owner or an aspiring Vetpreneur, you can't afford to miss this two-day conference in Fountain Hills, AZ!

This statewide event is presented by the Arizona Department of Veterans Services and its newly-launched Veterans Business Advocate Group, the National Center for American Indian Enterprise Development and Club Entrepreneur. Resource agencies include the Arizona SBDC Network.

**\$100 per person until May 31**

**\$150 June 1 through day of event**

Registration includes general sessions, all workshops, materials, some meals and evening reception. See full details online.

#### You Should Attend If ...

**You are a Veteran business owner who is looking for greater success;**

**You are an aspiring Vetpreneur looking to get a fast start;**

**You are looking to learn how to team;**

**You are a company or agency that works with and supports Veteran-Owned Businesses!**

**Put Your Full Veterans Benefits to Work for You!**

### Get Off To A Fast Start ...

**VETERAN  
BUSINESS  
ADVOCATE  
GROUP**

#### Vetpreneurship Is An \$8 Billion Opportunity ...

Each year, billions of dollars of government set-asides and private contracts are left on the table. Learn how your Veteran-owned business can register with the Federal government and become a preferred vendor to private industry.

#### Get the Facts ...

State and Federal officials will provide updates on new benefits and programs that support Veteran-owned businesses. Come hear what they have to say and prepare to succeed!

#### Learn From the Experts ...

Choose from four workshop tracks that will help you start or grow your business, including **Getting Started**, **Marketing**, **Procurement** and **Community Building**. Learn the ABC's of entrepreneurship, from business plan development and financing to Internet marketing, networking and how to succeed while 'being green'. Our team of experts will teach you the Tricks of the Trade!

#### Explore Procurement and Civilian Teaming ...

Day Two gets deep into procurement and private contracting and offers one-on-one matchmaking sessions with major corporations. Looking to team? You just might find partners at Arizona's first-ever Veterans Small Business Conference!
